

Our Services

Skills Development Training

Comprehensive training programs designed to enhance skills and capabilities for individuals and organizations.

SETA Funded Learnerships

Structured learning programs that combine theory and workplace practice, funded by Sector Education and Training Authorities.

ATR & WSP Submissions

Assistance with Annual Training Report and Workplace Skills Plan submissions to ensure compliance and maximize skills development benefits.

TVET Placement

Facilitating placement of Technical and Vocational Education and Training graduates into appropriate workplace environments.

Accreditation Facilitation

Support in obtaining accreditation with the Quality Council for Trades and Occupations (QCTO) and various Sector Education and Training Authorities (SETAs).

Training Approach and Competitive Edge

GAIN Learning takes pride in creating a learning experience that goes beyond the classroom. We foster inclusive, safe, and participatory environments where learners are supported before, during, and after their training journey. Training delivery is tailored to adult learning principles and incorporates both theoretical and practical components.

The value we offer lies in:

- Customized, need-based course design
- Transparent and fair assessment and certification processes
- Experienced facilitators drawn from industry and academia
- Commitment to ethical operations and service delivery excellence
- Strong learner support systems that promote successful outcomes
