

## Our Market

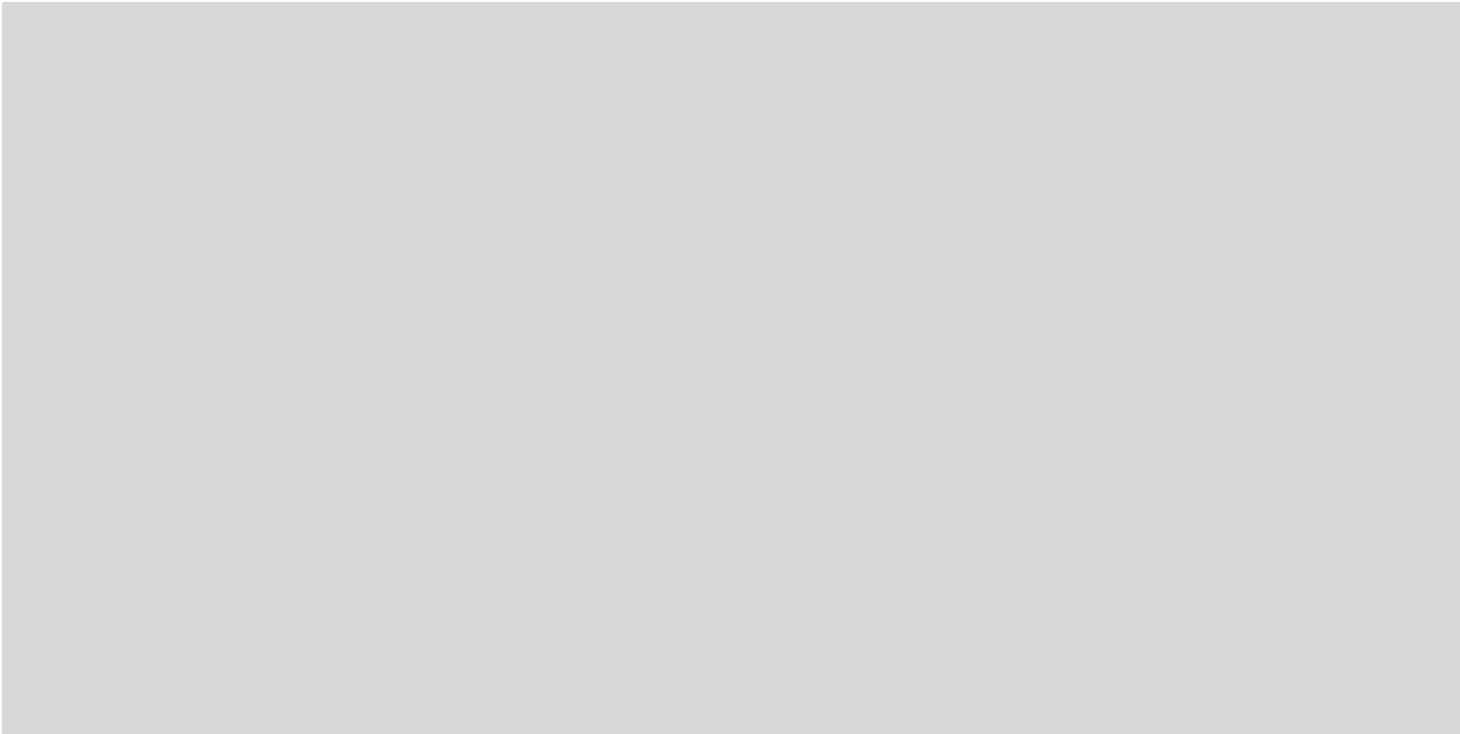

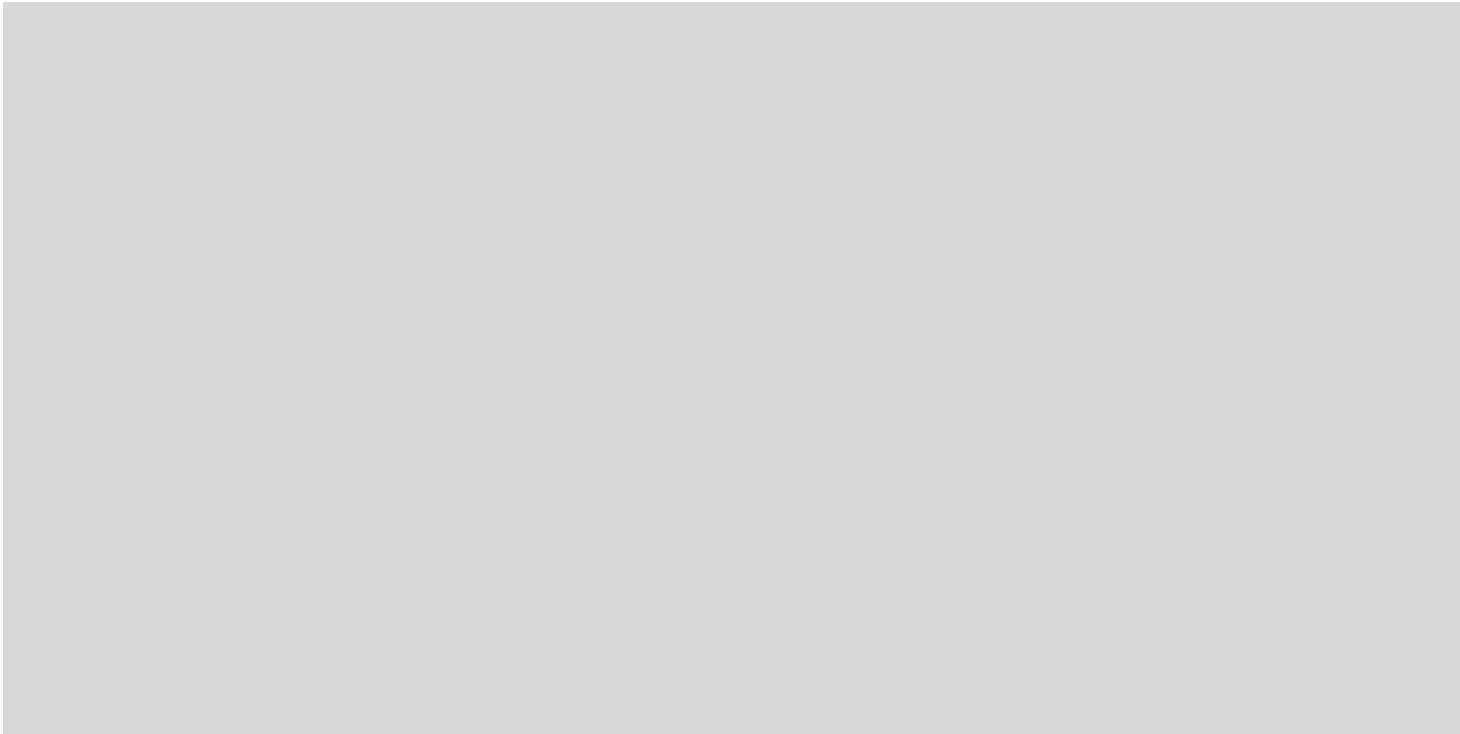

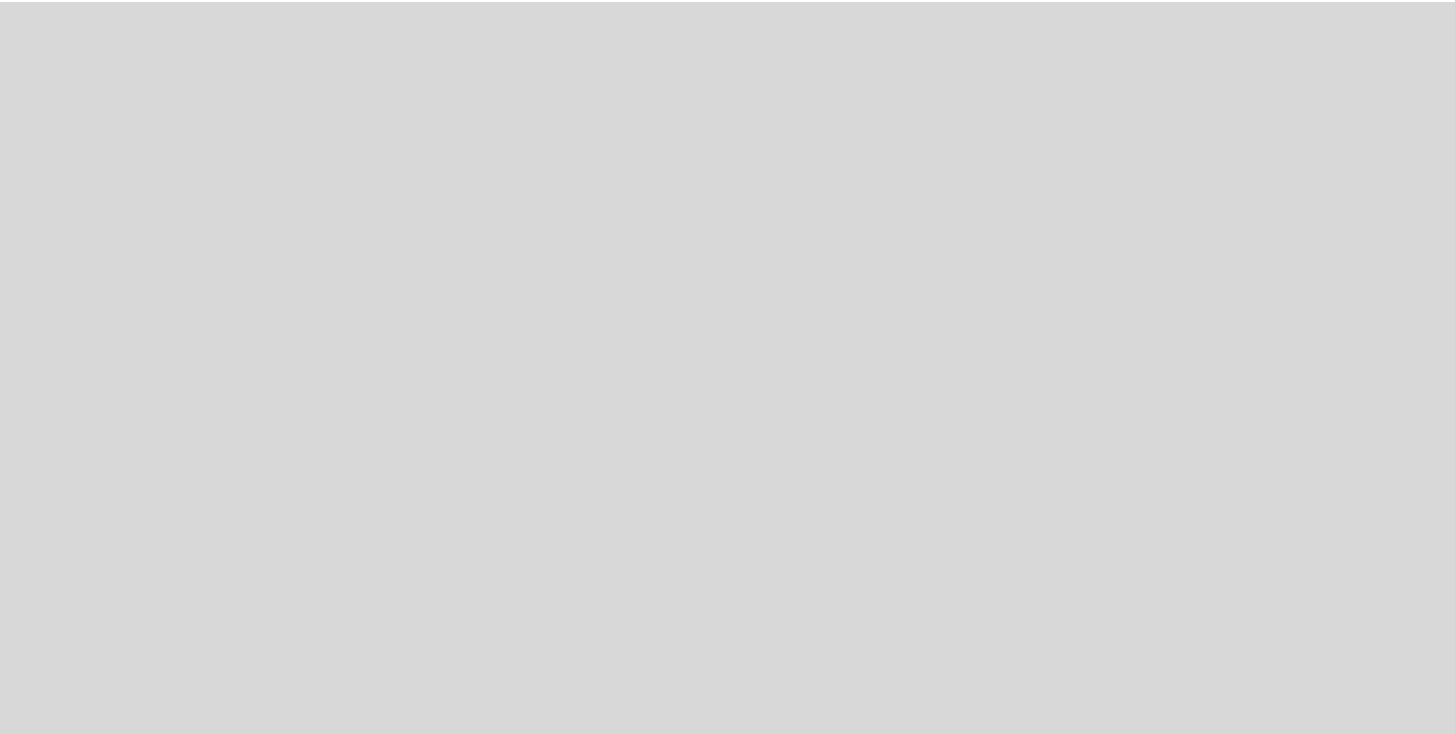

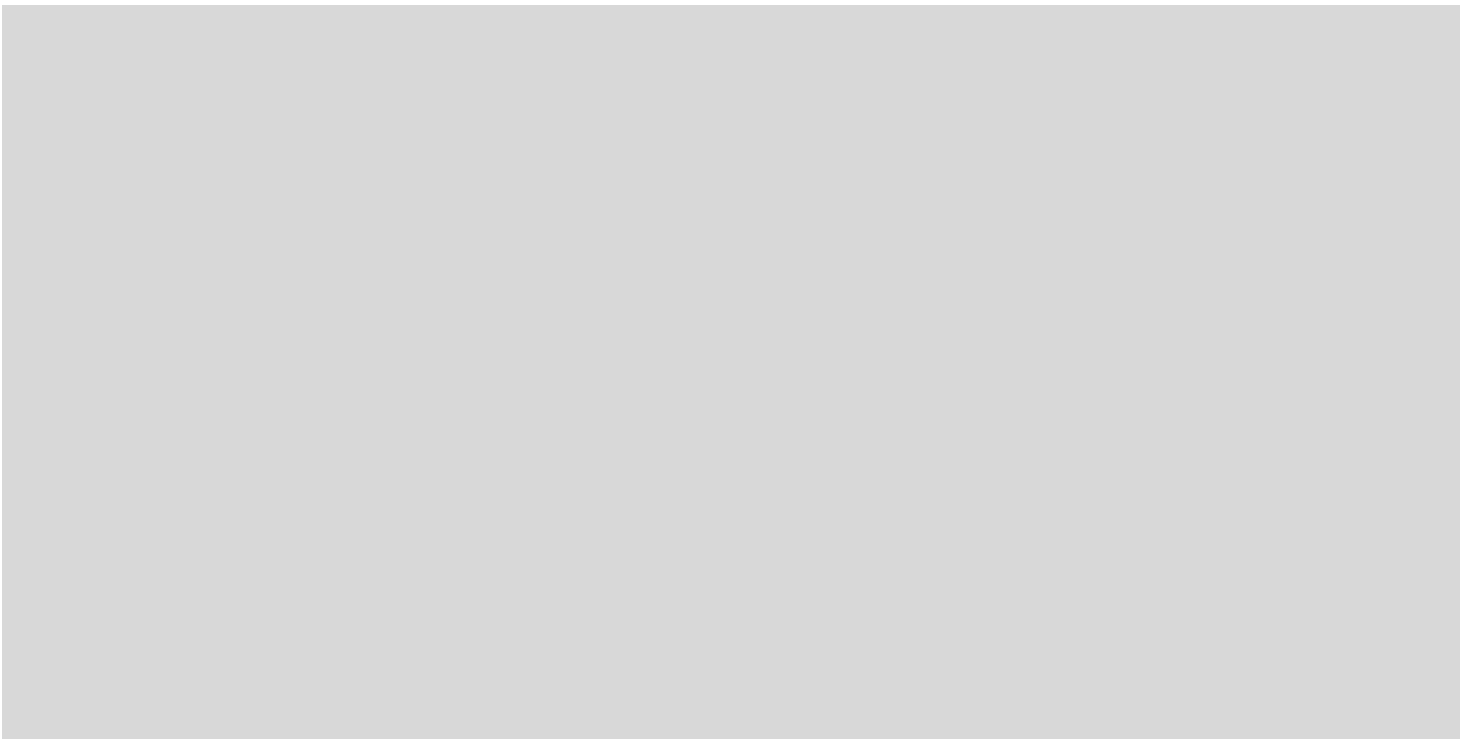

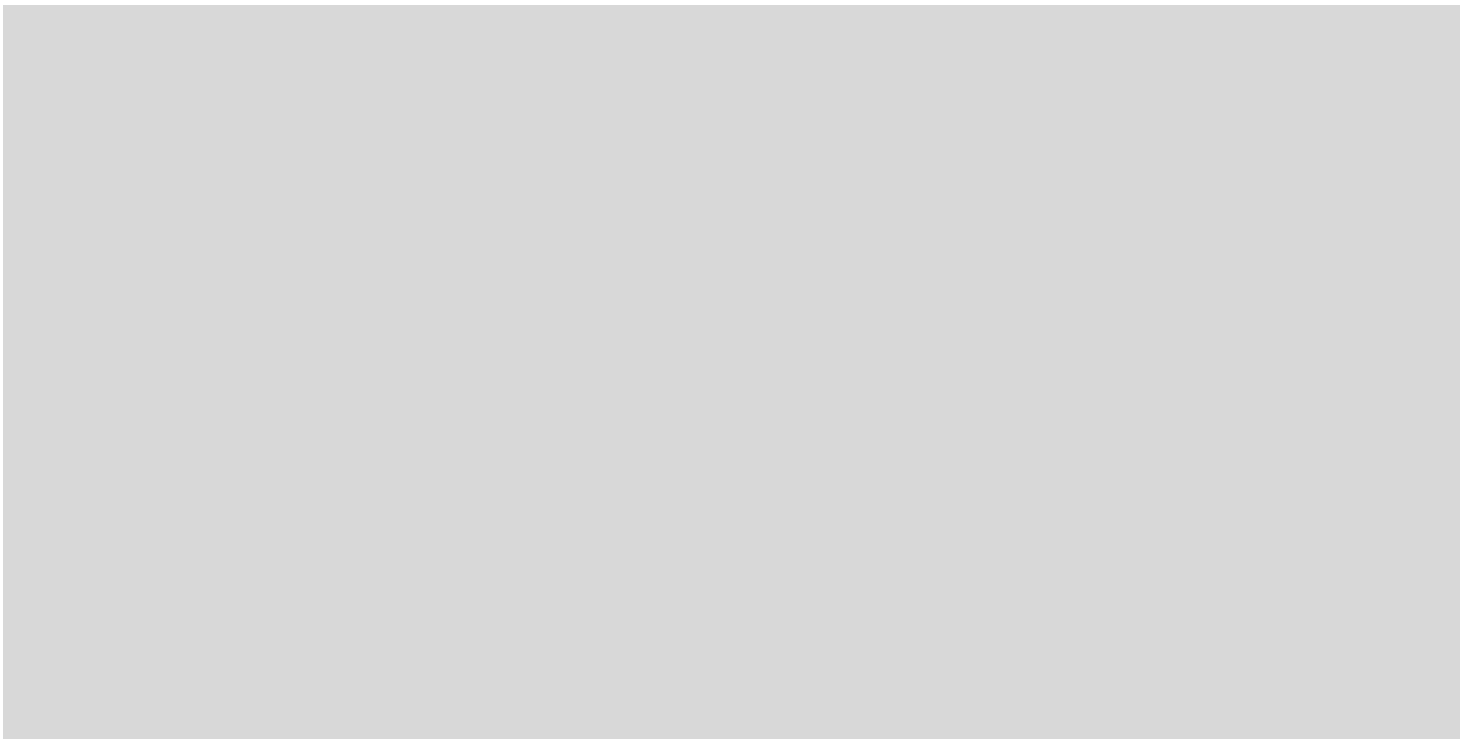

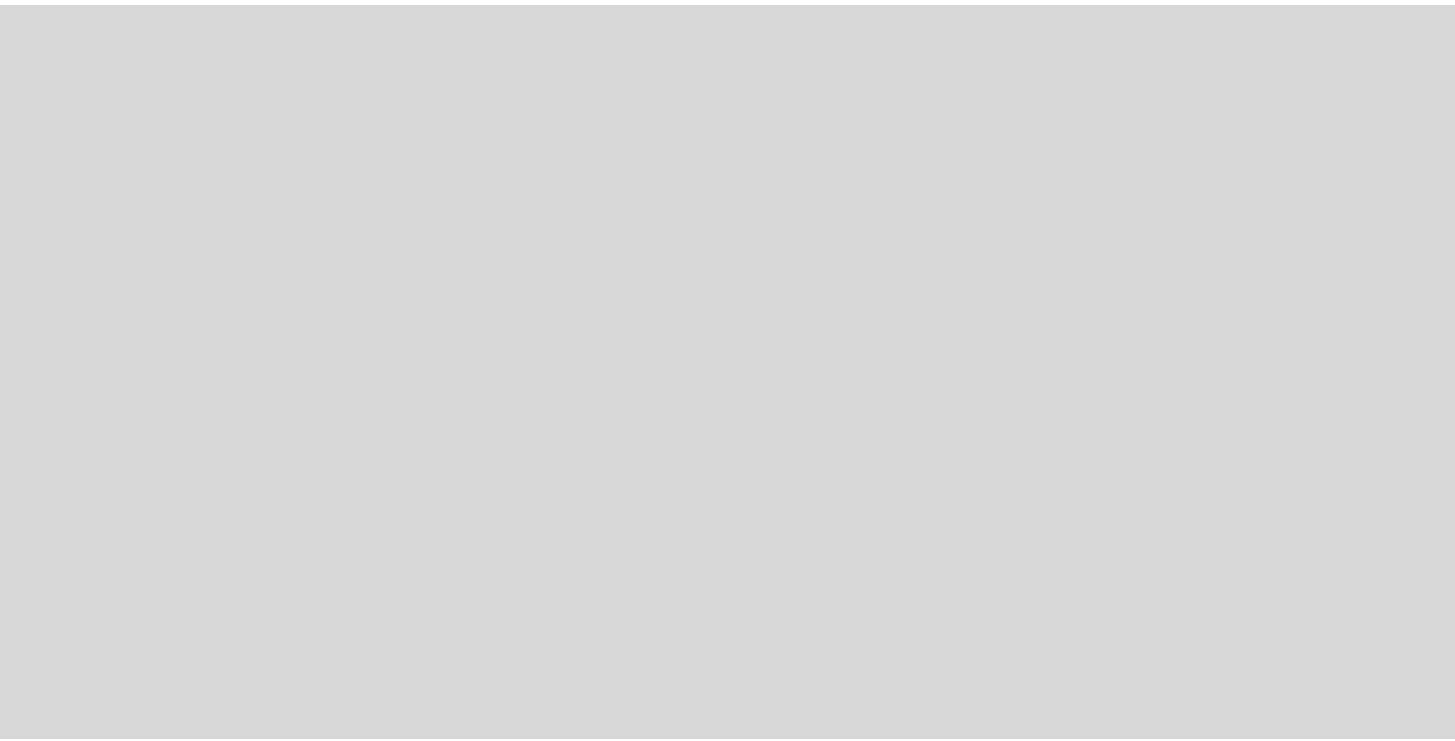

### Target Market

Our clients and beneficiaries include:

- Unemployed individuals seeking skills to enter the job market
- Employed individuals aiming to advance in their careers
- Entrepreneurs building their capacity for business success
- First-time job entrants requiring work readiness training
- Post-school youth in need of guidance and vocational training

GAIN Learning Today Leading Tomorrow is a dynamic and values-driven training provider, deeply committed to empowering individuals and communities through lifelong learning. Our reputation is built on quality, accountability, and a passion for transformative education. We invite partnerships that align with national development goals and share our vision of an empowered South Africa.
